Our journey to a new church on Little Chicago Road has not been without interesting twists and turns.

The process all began on March 28th when we received what we thought was a credible offer to purchase our land on Sheridan Road. This process stretched from March 28th through the end of May. Through part of that time Pastor Tarrance and Teresa Granger began working on refinancing our loan for the land on Sheridan Road and during that process we began to consider purchasing the church on Little Chicago Road. For us to obtain bank financing we would first need to sell our property on Sheridan Road and raise enough money to cover the down payment. As usual our membership and many non-members and friends of Bethel stepped up big time to raise the needed funds. We made a formal offer on the church which was accepted. The purchase hinged primarily on selling our property so that we could obtain the needed bank financing. We were unable to finalize a sale of our land therefore a conventional purchase was not going to happen. That led us to a more creative phase of trying to obtain our new church.

We made direct contact with the Mortgage Holder on the church, explaining our situation and how committed we were at working out a deal that would get us into our new church. The first offer presented to us was to purchase the church on contract which we reviewed with our attorney and debated thoroughly by our Trustee Board. We determined that a contract ……..
When I say *Good Morning* I mean to say:

G – od
O – ffers us His
O – utstanding
D – evotion to
M – ake us
O – bedient &
R – eady for a
N – ew day with Him.
I – nspire others please, and
N – ever forget
G – od loves you!

...purchase was too risking for the church and decided to offer a Lease with an option to purchase as a safer alternative for our church to pursue. After a few meetings we were able to agree to terms and signed the final lease on July 1st and plan to have our first service on July 7th.

Without all of the prayers, donations, a great Pastor with a vision and determination, our Treasurer Teresa Granger, and a strong and united Trustee Board we would not have completed this journey. We are so thankful for many other people that have played a role in our journey, like Pastor LeBlanc and the congregation of the Worship Center, Matt & Steve Cook our attorney’s, Annie Cook our Realtor, Community Bank, Greg Millen (Junction Holdings), Matthew Gaylor (Lead Pastor City Spring Church) and there are probably others that I’ve missed.

Remember, our journey is not over, so continue to pray for a quick sale of our land on Sheridan Road and please attend the next Church Meeting to get any questions answered that you may have regarding our journey.

Lastly, don’t forget about the escorted journey Sunday morning from 5th & Walnut Street to 17777 Little Chicago Road leaving at 10:30 a.m.

*Bethel A.M.E Trustee Board:* Pastor Tarrance, Myron Glover, Paula Gilliam, Jerry Granger, Vincent Newsom, Erica Newsom, Denis Suggs, Archie Skates, Dennis White, Jeff Woodard

---

**PASTOR’S PEN**

As of the writing of this letter, our congregation is moving into our new location at 17777 Little Chicago Road, Noblesville, Indiana. Surely each member of Bethel-Noblesville can profess that we indeed serve a mighty and great God. To God be the Glory! On Sunday, July 7, 2013 beginning at 11:00 a.m. we will be worshipping, for the first time, at our new location. The scripture says: "Trust in the Lord with all thine heart; and lean not unto thine own understanding. In all thy ways acknowledge him, and he will direct thy paths." -Proverbs 3: 5-6. For I know, we certainly have come this far by faith. And, in our excitement of our new church building, let us never forget that church is more than the building. Church is about our service and worship unto God. As we keep this in mind, let us continue to trust God, love God and serve God, as he continues to direct our paths in the way that he would have us to go.

Thank you to all the members and supporters of Bethel who helped to make this possible. You may have given a pledge, you may have given your time, you may have offered a prayer, but whatever your contribution, no matter how great or how small it may seem to you, I thank you from the depths of my heart.

"I Know the plans I have for you," declares the Lord. "Plans to prosper you and not harm you. Plans to give you hope and a future." Jeremiah 29:11   Surely our hope is in the Lord.

Be blessed,

Pastor Tarrance

SUNDAY SCHOOL CONVENTION
BY ANNETTE SUGGS, SUPERINTENDENT

The 2013 North District Sunday School Convention was hosted by Greater St. James AME Church on June 21st and 22nd at the Gary Career Center in Gary, IN. Bethel had a total of 18 attendees (9-youth, 9-adults). Our church placed 2nd in the highest number of attendees. The theme for this year's convention was "In It To Win It To Live It".

Friday was a fun filled day that included opening worship services, breakout age group sessions, lunch, organized play, and ending the day with the Youth Explosion/Talent Service. Our youth participated in all areas at the convention: (1) Samantha addressed the convention to give a summary of the "Bullying" sessions for her age group, (2) Baron addressed the convention to give a summary of the "Running the Race for Jesus" session for his age group, (3) Olivia, Maia, and Micah performed the song "Because of Who You Are" during the Talent Explosion Friday night, (4) Christian, Blake and Maia participated in the step show with the teens, and (5) Christian read the scripture on Saturday.

The main activity on Saturday was THE BIBLE BOWL. We had 3 teams enter this year: Division I team: (1) Adriana Brown, Baron Smith, and Samantha Suggs. Division II teams: (1) Blake Fischer, Micah Fischer, and Olivia Suggs. (2) Christian Smith, Haley Smith, and Maia McFarland. Our Division I team won 1st place and will move on to competition at the 4th District level in St. Charles, IL. Our Division II teams made convention history by winning 1st and 2nd place (gold & silver). The 1st place team will also compete on the 4th district level in St. Charles, IL in July. Special thanks to our team coaches: Vince Newsom, Teresa Granger, and Shanna Smith.

Upcoming in July, we will host Fun Fellowship Sunday on July 14th, with snacks and a movie. As always, we invite all youth and adults of the church to come out and join us. The fun begins at 10:00am. The Sunday School's annual promotion day ceremony will be held on the 4th Sunday in August on the 25th.
On Saturday, June 29th, the 12th Annual Bethel AME Golf Outing took place at Fox Prairie Golf Course. The day began with 56 golfers lining up to show off their skills! The day began with a prayer from Reverend Tarrance and the roaring of the golf carts, filled with hope of good shots, fairways and holes in one.

Young and old, new and familiar, golfers from all over came to participate in the outing. As the day wore on, clouds rolled in, but the golfers were able to finish the course without getting wet. The golfers quenched their thirsts by getting their drinks from the beverage cart, this year manned by Misty...... all the way from Henderson, KY.

By the end of the round, golfers congregated in the pavillion, enjoyed a lunch of fried chicken, potato salad, cole slaw, baked beans, hot dog, chips and dessert! Thanks go out to Gerry Hampton, Paula Gilliam and Becky Skates for serving the golfers at lunch. Everyone matched up their raffle ticket to see what prize they had won. Prizes this year included, gloves, towels, boxes of balls, hats, visors, golf accessories and a putter. There was something for everyone!

Many thanks go out to Fred Slack and his generous TITLE SPONSOR in the name of his new restaurant Southern Kitchen - “A Lil’ Taste of Home”. Located at: 7854 E. 96th Street, Fishers, IN 46037 (317)-228-0202. This is the first year for the Southern Kitchen sponsorship, but Fred has been a major sponsor in the past with his Bounty Hunter Show.

After enjoying lunch and treasuring their prizes, the winning teams were announced! In first place, Larry Howard’s team from Muncie took 1st place by 1 stroke. His team consisted of Leroy, Courtland and Collin. Second place was secured with a tie. The tiebreaker was decided by scores based on the handicap of selected holes and in the final decision; Tommy Hill’s team took second with Shad, Kenny, and Marsh. Rovell Birdsong’s team from Indianapolis won third place. His team consisted of Chuck, Ronnie, and Larry. The top three teams won trophies and gift certificates to Fox Prairie..........

Prizes were also given to the closest to the pin and the longest drive.

As always, this year’s tournament was put on by the efforts of Archie Skates, along with his right hand, Jerry Granger. They did a great job of displaying fellowship and fun through their hard work and endeavors of making sure everyone had a great time. The annual golf outing was a huge success in fellowship, fun and sportsmanship.
First Lady Nadine Tarrance, Shanna Smith, and Teresa Granger attended the World of Women Praying Convocation (WOWPC) held at the Donald E. Stephens Convention Center in Rosemont, Illinois June 27-30. The Convocation has been a vision of Rev. Cecelia Williams Bryant, WMS Episcopal Supervisor since being assigned to the 4th District and has been well received and attended by women of all denominations throughout the world. The WOWPC is an ecumenical, international, intergenerational gathering of Christian Women for whom prayer is sacred, empowering, edifying, fundamental, transformative, and healing.

There were various workshops and prayer sessions scheduled at the Convention Center and the 5 designated hotels (also known as “Colleges” depicting women of distinction) throughout each 24-hour period focusing on prayer for Christian Vocations, Prayers of Oblation, Biblical Prayer, Radical Prayer, and the Arts as a Catalyst for Spiritual Expression, Growth and Communion with God. There were numerous presenters including our own, Presiding Elder Anne Henning-Byfield, Rev. Nichole Washington, Rev. Shonda Gladden, Rev. Sheler Stokes, and India Grady. There were also specific sessions focusing on the Wise and the Beautiful (age 70 and over), and a Wellness Center with doctors and nurses on-site.

We also enjoyed attending the Global Impact Awards Breakfast where 12 women were honored for their significant impact in the USA, South Africa, Liberia, Canada, St. Kitts and Nevis and Zipporah’s Love Luncheon honoring marriage with Rev. “C” as the speaker.

Each evening culminated with a dynamic worship experience depicting the arts in ministry. Well over 2500 women and 100 men representing the “Sons of Boaz” were taken up into a spirit of high-praise and worship. Well-known saxophone artist, Angela Christie presented a musical concert on Friday evening.

BETHEL CELEBRATES 150TH ANNIVERSARY
BY TERESA GRANGER, ANNIVERSARY CHAIRPERSON

Sunday, May 26, 2013, marked an historical event for Bethel A.M.E. Church-Noblesville. This was a monumental celebration for 150 years of service to the community. As the story is told, it all began in a log schoolhouse on the “Pleasant Evans Farm” 3-1/2 miles northwest of Noblesville on Sheridan Road with a local preacher, Rev. Indicutt and 13 members, who no doubt had enough faith to carry them for many years to follow. As their membership grew, Bethel moved from place to place, each time adding to their presence in the community. And now Bethel stands with our pastor, Rev. Mallory Tarrance and nearly 200 members as one of the longest standing congregations in the city of Noblesville.

On this day of worship and celebration, we were honored to receive greetings from Noblesville Mayor John Distlear and State Senator Luke Kenley. Written expressions were also received from Governor Mike Pence. Expressions were given by the worship service participants: Rev. Nichelle Washington, Rev. Maebelle Hollins, Rev. Barry LeBlanc, Rev. Robert Hayes, and Rev. Annettia Brooks-Rankin. Following words of encouragement and expressions given by our own Presiding Elder of the North District, Rev. E. Anne Henning-Byfield, she then introduced our Special Guest and Speaker for the hour, Presiding Prelate of the Fourth Episcopal District and Senior Bishop of the A.M.E. Church, the Rt. Reverend John R. Bryant.

Bethel’s Mass Choir ministered through the singing of “You’re An Awesome God” and “Glory to Your Name” and Liturgical Dance ministry, “I Need You To Survive”. And as in usual form, Bishop Bryant preached a dynamic sermon using the text Matthew 28:16-17 on the subject, “All Doubts Are Settled”. Bishop Bryant’s message confirmed our past, present, and future and inspired the members of Bethel-Noblesville to continue on………..

Following the worship service, Bishop Bryant, Presiding Elder Byfield, Pastor Tarrance and other guests and members joined together for a joyous dinner. An historical video presentation was shared by Rev. Annettia Brooks-Rankin and those in attendance received a 150th Anniversary Historical Booklet, DVD, and a commemorative writing pen. We extend our thanks to Pastor Tarrance for his vision of this project and to all those who worked on the various committees to make the anniversary celebration a success. And as we speak, the rest of the story is being written…………

A TRIP TO NEW BETHEL CHURCH - MT. VERNON, IN
BY DENISE GLENN

On Sunday June 9th Pastor and First Lady Tarrance along with Bethel members Jeff and Terri Woodard, Micah Fischer, Adriana Brown, Denise Glenn, and Alexandra Glenn visited New Bethel Church in Mount Vernon Indiana to help conduct youth worship and discipleship. New Bethel is over 175 years old but was going to close it’s doors last year due to lack of membership. Reverend Cecilia Bryant, commonly referred to as “Rev. C”, has taken the charge of pastoring and helping to restore and build a congregation back for the church. She asked each church and their VPD and Missionary Societies to visit and help in this effort.

During our visit the children learned a lesson about Saul, later named Paul, and how God transforms lives! Then they played fun “transformer games” led by Micah Fischer. Rev. C gave a powerful message to the adults and the visit was a great success. The picture is Revrend Bryant speaking with the youth of Bethel Noblesville and New Bethel. All involved were truly blessed by the visit! We are praying with her in this effort that God will restore this church!

MEMORIES of Bethel’s 150th Anniversary
**BETHEL’S KITCHEN**

**BROWNIES**

BY BRIANNE WILLIAMS

YIELD: 24 brownies  
PREP TIME: 30 minutes  
COOK TIME: 30 minutes  
TOTAL TIME: 1 hour

**INGREDIENTS:**

- 1½ cups all-purpose flour
- 1 teaspoon salt
- 2 tablespoons dark unsweetened cocoa powder
- 11 ounces dark chocolate, coarsely chopped
- 1 cup (8 ounces) unsalted butter, cut into 1-inch pieces
- 1 teaspoon instant espresso powder
- 1½ cups granulated sugar
- ½ cup packed light brown sugar
- 5 eggs, at room temperature
- 2 teaspoons vanilla extract

**DIRECTIONS:**

1. Preheat the oven to 350 degrees F. Butter the sides and bottom of a 9x13-inch glass or light-colored baking pan. Line the pan with parchment paper.

2. In a medium bowl, whisk the flour, salt, and cocoa powder together.

3. Put the chocolate, butter and instant espresso powder in a large bowl and set it over a saucepan of simmering water, stirring occasionally, until the chocolate and butter are completely melted and smooth. Turn off the heat, but keep the bowl over the water and add the sugars. Whisk until completely combined, then remove the bowl from the pan. The mixture should be room temperature.

4. Add 3 eggs to the chocolate mixture and whisk until combined. Add the remaining eggs and whisk until combined. Add the vanilla and stir until combined. Do not overbeat the batter at this stage or your brownies will be cakey.

5. Sprinkle the flour mixture over the chocolate mixture. Using a rubber spatula (not a whisk), fold the flour mixture into the chocolate until just a bit of the flour mixture is visible.

6. Pour the batter into the prepared pan and smooth the top. Bake in the center of the oven for 30 minutes, rotating the pan halfway through the baking time, until a toothpick inserted into the center of the brownies comes out with a few moist crumbs sticking to it. Let the brownies cool completely, then lift them out of the pan using the parchment paper. Cut into squares and serve.

7. Store at room temperature in an airtight container or wrap with plastic wrap for up to 3 days.

**THE COMPUTER GUY**

**WIRELESS NETWORKING BASICS**

BY ARCHIE SKATES

During the past couple of months the Computer Guy articles gave basic information on Basic Home Internet Security. With the advancement of wireless networking, anyone can set their laptop, Pad or phone down virtually anywhere and be instantly connected to the Internet. Almost everybody has Wi-Fi set up at home, and uses it daily either with their phone or while visiting coffee shops, hotels or almost anywhere you shop. For computer users this is the best thing since “sliced bread”...sounded wonderful, right? Wi-Fi is a great, but with every great innovation, there are those who will work to use that innovation for their own personal gain. So as users enjoy the flexibility and mobility of wireless networks, there are some security threats associated with wireless networks.

The way a wireless networks works is that a router (base station) broadcasts, and anyone who can receive the signal can potentially read, or insert traffic on your network. So the problems that arise from using wireless networks can be an unauthorized user sending, receiving, or reading your information. I am not trying to paint a gloomy picture or scare you away from wireless networking. I personally have been using Wi-Fi for years and I highly recommend it. It is important to understand that with the necessary precautions a wireless network can be safe and secure.

The first thing is to run a firewall, which is a system that is designed to prevent unauthorized access to and from a private network. Firewalls were discussed in Computer Guy articles last month (security). The router also serves as a hardware firewall, providing you with your first line of defense. For the most effective security, it is best to use encryption. Encryption is essentially the translation of data into a secret code. Encryption is the most effective way to achieve data security, because to read an encrypted file, you must have access to a key to decrypt it.

Windows has built in wireless networking security features and your wireless router needs to be configured to turn on security features. Wireless networks use a security protocol called Wired Equivalent Privacy or WEP. The problem is that WEP is not turned on by default and the user has to configure the WEP protocol. Second, make sure that the network name (SSID) is not easily identifiable. The SSID is also referred to as a network name because essentially it is a name that identifies a wireless network. Don’t use your business name, your name, or your SSID address. Finally turn off the SSID broadcasting. This will essentially create a closed network, requiring new clients to enter the correct SSID before being granted access. Above are basic starting points for securing your wireless network.

I have listed a few basic steps to take. Most of today’s routers have built in protocols, that are set up when you complete the installation and they will walk you thru the steps to secure your home network. Since wireless networking has become common place, almost everyone is using them, and many are not even aware of the security risks involved. Make sure you educate yourself on the risks involved with wireless networking. Wireless networking done correctly is a great way to access the Internet, and can make your computer experiences more pleasurable. Microsoft and other web sites, have plenty of information on wireless networking and security. Good luck and remember the “Computer Guy” articles try to make readers aware and provide brief information on computer technology. If you are still having questions please email me at bethelcomputerguy@aol.com.
To date we've discussed creating a personal financial statement and followed that up with comments about creating a budget. In this article I want to hone in on a portion of the budgeting process and that's about savings. One of the basic reasons for setting up a savings plan is to create something to fall back on when you reach a point in the future when you are no longer able to generate the necessary income to handle your budget requirements. Remember the Aesop's Fable about the teaching of the ant and the grasshopper? The ant worked hard and put stuff back so when winter came he was able to survive while the grasshopper did not and suffered.

The ant was saving as he knew times would happen that he would need something to fall back on. That's exactly the same reason each of us needs to set aside something today when we are able to protect us when those events or situations occur. You need to have a goal of setting aside at least 10% of your income each and every time you are paid.

There are countless ways and methods to set up a savings plan and I would suggest that you need two types of plans. One plan I'll call a “put and take plan” and the other is a “put and keep plan”. In the first you can view this as a short term plan where you “put” some in and then “take” some out as needed. These are types of plans that you save for a specific purpose like vacation or just a “fun” account. Everyone needs one of these plans.

However the more important are the “put and keep” plans. In these plans you “put” some in and then don't “take” it out for a long time. These are long term plans that are set aside for long term goals like college education for your children, emergencies, and eventual retirement. For emergencies you should have a plan that you build up to a minimum of 6 months of your income. This plan should be readily available to cover those times when you need to fall back on the account should you are unable to work due to an injury or something else.

With the other types of “put and keep” plans you need to look at ways where you can "lock" these away so that you avoid the temptation to tap them for things you would like to buy but don't really need. Look at possible savings plans available from your employer such as 401(k) plans and other options. Having the option of saving via payroll deduction at work is one of the easiest methods of savings. Other options would be plans that are paid automatically from your checking account such as cash value types of life insurance or automatic mutual fund withdrawals. The options are numerous but the method of being almost automatic is the key. We might tell ourselves that we will go down to the bank each payday and put something in savings but I guarantee that won't happen. Maybe you'll do it for a few paydays but then something happens and the program slows down and then stops. Most of us need some automatic system.

Remember that the 10% savings is a goal. Starting out at that level might be difficult at first so start slower but as you can increase that amount over a few years. It's important to start on a lifetime habit of saving and “paying yourself first”. You'll be much better off down the road regardless of what happens.
Adriana Brown was part of the winning Bible Bowl team. She is having a great summer at camps and even learned how to sew. She had her first "fashion show" and made a headband, skirt, and purse. She loves her Pastor and church family!

Alexandra Glenn loves this summer and learning how to ride her bike and tie her shoes! She is entering kindergarten and can't wait to go to the same school as her big sis!! Alex can’t wait to be in the new church, too!

Bethel’s YOUTH RECOGNITION DAY will be held on Sunday, July 28th during the morning worship service. At this time, we will honor the achievements of all of our youth for their church, academic, and community activities.

Please note that a Youth Recognition Questionnaire will soon be forwarded to all parents for completion and will need to be returned as soon as possible to Denise Glenn, Bethel’s YPD Director, or Teresa Granger.

God has abundantly blessed Bethel Noblesville and the evidence is found in this issue of THE VOICE. We have celebrated our 150th Anniversary, the victory of our three Bible Bowl teams who won first place in Division 1, and first and second place in Division 2 at the Sunday School Convention and now, we are celebrating our new church. GOD IS GOOD!

As good as God has been to us, we can’t afford not to praise His name this Sunday and every Sunday in our new church. He deserves our praise. Invite someone to come to church, bring someone to church and come to church to welcome them.

Keeping you informed,
June Newsom, Editor
